The Officer's Daily Log

Meet Circle Host Kyler Mann

Kyler Mann hails from Hanover, Ontario, Canada. At the age of 7, he caught a glimpse of the original Queen Mary ocean liner, and thus his dream of working aboard cruise ships was born.

He earned a degree in Political Science and later worked as a radio deejay, but the ocean still called. After joining Princess Cruises, Kyler had the opportunity to visit breathtaking Bora Bora, French Polynesia, which remains his favorite port of call.

Kyler enjoys driving his 1987 Corvette when he's not onboard.

By Kyler Mann, Princess Cruises Captain's Circle Host

On behalf of the entire Golden Princess crew, I want to thank you for sailing with us. We appreciate the loyalty of our Princess Cruises Captain's Circle® members, and welcome all of our first-time cruisers to the Circle. You are now automatically eligible for member benefits and amenities on future cruises.

All of our members receive preferential pricing offers, our "Princess Cruises Captain's Circle Magazine" and more. Platinum members, those that have completed 5 cruises or 50 cruise days¹, receive credit toward Internet packages², preferred check-in and other benefits.

And when you sail on your 16th cruise or 151st cruise day, we are proud to recognize you as an Elite Member of the Circle, and you will be rewarded with the ultimate in benefits and privileged perks.¹ For details, just come by my desk on deck 6.

Already dreaming about your next cruise with Princess? Visit our weekly blog at www.50EssentialExperiences.com, to read personal stories from our destination experts that will help you add to your own travel bucket list. Stop by the Future Cruise Sales desk, and say hi to Amanda. Make a deposit toward a future cruise, even if you're unsure of where you want to travel next, and you'll receive a shipboard credit next time you sail with Princess.

Have a relaxing, wonderful last day in Victoria. A visit to this port is not complete without a tour of the world-famous Butchart Gardens, a botanical garden of epic proportions, and a National Historic Site of Canada. Of course, you can also explore the town by horse-drawn trolley or go on a whale watching cruise – Victoria does not lack in amusing ways to spend your day! We hope to see you on board again soon, and please let us know if you have any suggestions or comments – we'd love to hear from you.

¹Members are eligible for a higher tier level on the next cruise following completion of necessary cruises and/or cruise days. Land portion of cruisetour does not apply. ²For use in the Internet Cafe or through Wireless Internet; subject to availability.

From the Navigator

During the night Golden Princess continued southbound, passing through the Hecate Strait and into Queen Charlotte Sound. Transiting Queen Charlotte Sound we once again entered the Pacific Ocean and continued south, paralleling the west coast of Vancouver Island (WPT. 5). Throughout the morning we shall remain on a south-easterly course heading for Victoria. Later this afternoon we shall re-enter American waters and proceed down to Juan De Fuca Strait (S3). When at the easterly end of the strait we will make a turn northwards and approach Victoria. Shortly after passing back into Canadian territorial waters we shall embark our local pilot, who will guide the ship to her berth in Victoria harbour. On passing the breakwater of the harbour the Captain will swing the ship around using the thrusters and proceed astern, coming alongside our berth. Once we have all our passengers back on board we will let go our lines and move ahead out of our berth. On clearing the berth we shall then make a turn to port passing the breakwater on our port side. After disembarking our local pilot we shall then cross back into American waters and head south, holding off Port Angeles, where we will then board yet another pilot who will guide us down the Traffic Separation Scheme of Puget Sound towards Seattle.

Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government-issued picture ID with you before leaving the ship as you may be required to show this at security checkpoints upon your return. Do not accept or bring onboard any parcels or packages from strangers. Before boarding, you may also be asked by our Security Staff to open parcels or handbags which you are carrying.

We Value Your Opinion

As the Consummate Host®, we strive to provide you with superior service and special experiences so that you can escape completely on your vacation. When you return home please look for an email from Princess Cruises which will give you the opportunity to let us know how we performed. We kindly request that you complete the online survey which will only take a few minutes of your time. Your opinion is very important to us. On behalf of everyone in the Princess family, we thank you in advance for your participation and we look forward to welcoming you back soon.
